

GLIMMERINGS

FALL 2022

Epiphany Church, a Gospel Oriented community of the Episcopal Church in NH, continues to love God and our neighbors in Newport. The Leadership team recently welcomed the Rev Susan Langle as Priest-in-Partnership focusing on Pastoral Care and Rev. Lucretia Jevene as priest associate focusing on Worship planning. Together this circle is making plans for our ongoing worship with Holy Communion most weeks and listening with prayerful hearts about how we can share the Good News hungry hearts are longing to hear. God Bless us, everyone.

Sunshine Diner

Beginning again on Easter Sunday the Sunshine Diner has served a monthly meal to all who come. We have served between 20 and 52 meals each feast day. All summer we have served take out boxes or eaten with guests at the picnic tables. Thanks to the efforts of volunteer meal planners, cooks, servers and greeters we are in the process of reviving this tradition. If you would like to help out please contact Rev. Susan.

Help Wanted! We are looking for anyone who could design a new logo for Epiphany and a new logo for the Sunshine Diner

Walking with the Crop Walk – October 1 2022. This year the Crop Walk will again raise funds for feeding the hungry near and far. Epiphany funds are available to match any contributions members of the parish make to this effort. You don't need to walk, or get sponsors to participate in this effort to combat hunger. Mark any donation checks "Crop Walk" and we will match your gifts up to a total of \$500.

The Rev. Susan Langle was ordained in 2007 following a legal career in public service working in the state mental health system. She was a member of the Bishop Search at the time of Gene Robinson's election

and attended General Conventions in 2003, 2006 and 2009. She graduated from Episcopal Divinity School and completed a chaplaincy residency at Yale New Haven Hospital before being called to serve as the Rector of Trinity Church in Claremont. Her work has included several years as a hospice chaplain. This photo is from her most recent travel adventure to the Big Island of Hawaii in May 2022 where she swam in the Pacific Ocean on her birthday. Susan loves to knit, to walk her dog Abby and is currently inspired by HGTV and Youtube videos to wreck/renovate her bathroom. "Epiphany is church the way it should be – kind and faithful, with a circle of practical people who deeply care about each other and those who walk beyond stone walls." She looks forward to tea and conversation or a visit at the picnic table or your kitchen. Please reach out by phone/text 603 986 2665.

What I have Learned So Far – Mary Oliver

Meditation is old and honorable, so why should I not sit, every morning of my life, on the hillside, looking into the shining world? Because, properly attended to, delight, as well as havoc, is suggestion. Can one be passionate about the just, the ideal, the sublime, and the holy, and yet commit to no labor in its cause? I don't think so.

All summations have a beginning, all effect has a story, all kindness begins with the sown seed. Thought buds toward radiance. The gospel of light is the crossroads of -- indolence, or action.

Be ignited, or be gone.
